

TRANSPORTATION CONTRACT FOR PARENTS 2018-2019

IHSNO Parents:

Transportation will be provided for your student attending IHSNO. Each student will be assigned a central pick-up point closest to their home.

Due to the distance in which you may live from your assigned hub site, it is extremely important to supervise your student to/from the pick-up site. The bus driver will **NOT ALLOW** a student to board the bus unless they have been assigned to that route. Also, a bus driver will **ONLY ALLOW** a student to exit at their designated stop.

Students will be randomly selected for transportation services. The bus can only hold up to 45 students. Once we have assigned all available seats, a waiting list will be created. Please fill out and bring your bus transportation application to the school to be considered for transportation services. If you have any questions, please call the front office at 504-613-5703.

I have read and received a copy of the above transportation contract.

Bus Pass/Token Distribution

In order to offer transportation services to students requiring bus passes/tokens, students will be able to pick up bus passes/tokens after school at 3:25 p.m. on the last school day of the month for the incoming month. **In the event that your child loses his/her bus pass/tokens, the pass/tokens will not be replaced for the month issued.** If your child is absent for distribution or has a schedule permitting a different release time, they should see a member of the Culture Team for assistance.

I understand that IHSNO may cancel or deny my eligibility for misuse or resale of bus passes/tokens, or misrepresentation of any facts or circumstances connected with my participation in its benefits. If you have any questions, please contact Darryl Evans at 504-259-0698.

Please return this form to Mr. Young in Room 215.
