

March 20, 2020

Dear Parents and Guardians,

We have been informed that a member of our community has been in close contact with someone who has tested positive for COVID-19. The person was at the school prior to school closure. Though school has been closed since Monday, March 16, 2020, we wanted everyone on in our community to remain vigilant about the seriousness of the matter and stopping the spread of COVID-19. Please understand that we cannot release the names of the persons for privacy reasons.

The health and safety of our students, families, and staff is important. Our goal is to keep you informed.

COVID-19 Social Distancing

To minimize the spread of COVID-19 virus will work best if everyone uses social distance as possible and practice proper hygiene. If students and employees mingle, it may disrupt the reasons for isolation. The same is true for travel to known impacted areas. The school building will not be open to students and parents during this time, and all campus activities and sporting events have been canceled.

The most up-to-date information and resources on COVID-19 are available at the following websites:

- Centers for Disease Control and Prevention - [CDC](#)

Please remain home, be safe and vigilant.

Sincerely,

Sean Wilson, sean.wilson@ihsnola.org

CEO/ Head of School
